

Volunteers Needed

to help GED seekers of all ages

The Office of Community Connections at the Westchester Library System is seeking volunteers to help GED seekers improve their skills and prepare for the exam. There are volunteer opportunities in several communities throughout Westchester.

According to US Census, 90,000 adults in Westchester
DO NOT have high school diplomas

We are looking for adults who can commit a minimum 3 hours per week throughout the year. Volunteers must be comfortable using technology and working with diverse learners. Training and support will be provided on an ongoing basis.
