Focusing on web sites of interest to Westchester - Winter 2007

### Cats and Dogs of Westchester

There are a number of good web sites relating to pets in Westchester County. These three web sites offer excellent links on a variety of subjects. Visit the *Pets* web page under the *At Home* section of **Librarians' Best Picks** for more web sites.

#### ***Animal-Link.org***

[www.animal-link.org](http://www.animal-link.org)

This is an excellent site with a wealth of information. They are "dedicated to promoting the humane treatment... (and) serve as a networking and information resource... for the welfare of wild and domestic animals..."

There are numerous links to topics such as adopting an animal, what to do about wildlife in your backyard, the locations of dog parks and how to get emergency medical care for your pet. They host a free Lost & Found Pet Database on their site where you can post pictures and other information about pets both lost and found.

#### ***New Rochelle Humane Society***

[www.nrochelleanimalshelter.org](http://www.nrochelleanimalshelter.org)

This humane society was founded in 1911 and is dedicated to providing "individual loving care to...unwanted, abused and neglected animals."

They too run a lost and found data-

base and are an excellent place to find an appropriate pet.

#### ***SPCA of Westchester***

[www.spca914.com](http://www.spca914.com)

The SPCA was founded in 1883 by Ossining resident Mary Dusenberry after she observed the merciless treatment of horses hauling coal. The SPCA offers many services which include low cost medical care, adoptions, lost and found pets and community events. Their Humane Law Enforcement division is mandated to investigate cruelty to animals and runs a 24 hour hotline.
