EXPLANATORY NOTES

WLS Member Library Statistics 2014 are based on the *Annual Reports for Public & Association Libraries - 2014* submitted to New York State. Financial figures reported on the *Annual Report* are on a cash basis for the operating fund.

Libraries reporting for fiscal years beginning in either June or July are marked with an asterisk (*). All unmarked libraries report on the calendar year.

Westchester averages are determined by dividing the total for that category by the number of libraries (i.e. 38). Total-based averages are determined by dividing the totals themselves. Rankings are based on numbers which have not yet been rounded to 1 or 2 decimal places.

Please note that unusual variations in the statistics may be a result of construction projects, temporary closings, or other conditions. Please refer to the *Note of Unusual Circumstances*.

Listed below are the categories from the *Annual Report* that were used for these statistics. If the category name differs on these statistics from the *Annual Report*, the *Annual Report* name is shown in brackets:

Note of Unusual Circumstances for 2014

All Libraries: Starting with the 2014 Annual Reports, the downloadable audio and video recordings are now included with the *Electronic Materials* section and not under the *All Other Materials* section.

(Armonk) North Castle Public Library: Construction in the children's room closed access to part of the collection for a week; the library has undergone significant organizational changes including the appointment of new co-managers since the resignation of the prior director in June 2014.

Bedford Hills Free Library: Library was closed to the public 5 days in August for a lighting upgrade and renovation project.

Briarcliff Manor Public Library: The Children's/Teens Librarian was on maternity leave from early December 2013-early March 2014 and out for 2 weeks during the Summer Reading Program in 2014. The Director was on sick leave for 6 weeks in August-September 2013. With a small staff and no funds for substitutes such absences affected operations. Library hours were expanded 1 hour on Fridays and 4 hours on Sundays starting January 2014.

Eastchester Public Library: The library's children's room was closed for renovations for approximately 6-8 weeks in January-February 2014.

Greenburgh Public Library: The adult non-fiction collection was heavily weeded (10,000 volumes removed) in order to free up floor space for more study desks and seating.

Harrison Public Library: The main library was closed for renovation from September-December 2014. The branch was closed for 3 weeks in August 2014 for construction. Massive weeding of the collection was done.

Hastings-on-Hudson Public Library: The 2014 Summer Reading Game was shortened due to construction.

Irvington Public Library: On 12/23/2013, an apartment above the library had a plumbing issue and water poured into the library. The library was able to open the following day but much of the adult non-fiction area was inaccessible into January 2014. Library reporting period was changed from calendar year to June 1-May 31 fiscal year.

Lewisboro Library: The library was closed for renovation and 90% of the library collection was placed in storage. The library moved to a temporary location in March 2014.

Mount Kisco Public Library: The library was closed from January 7-12, 2014, due to a broken pipe and subsequent flooding of the first floor of the building.

Mount Vernon Public Library: The library took its budget out to vote in May of 2014. The budget passed making the new fiscal year July 1, 2014-June 30, 2015. This year's report will continue to be submitted on the calendar year; and next year the report will be submitted based on the new fiscal year of 7/1/2014-6/30/2015.

(North Salem) Ruth Keeler Memorial Library: The Westchester County Department of Health determined that the library's well was contaminated with coliform and e coli and thus required installation of a chlorination system.

Ossining Public Library: The library director's position was vacant, and the assistant director acted in place of the director. The Board of Trustees contracted with library consultant Maureen Sullivan to assist with the development of a long range plan and director search. The library is expected to have a director in place by July 1, 2015.

Purchase Free Library: For the past year and a half, the library has been in a legal battle to prevent the library from closing. The landlord began proceedings to evict the library on July 31, 2014. The judge decided that it would come down to a community vote. On May 29, 2015, the Purchase community voted in favor of keeping the library open. Since a majority of our attention was spent on this issue, the library did not hold many events in 2014.

White Plains Public Library: Construction restricted access to a large part of the library collection.
