EXPLANATORY NOTES

WLS Member Library Statistics 2015 are based on the *Annual Reports for Public & Association Libraries - 2015* submitted to New York State. Financial figures reported on the *Annual Report* are on a cash basis for the operating fund.

Libraries reporting for fiscal years beginning in either June or July are marked with an asterisk (*). All unmarked libraries report on the calendar year.

Westchester averages are determined by dividing the total for that category by the number of libraries (i.e. 38). Total-based averages are determined by dividing the totals themselves. Rankings are based on numbers which have not yet been rounded to 1 or 2 decimal places.

Please note that unusual variations in the statistics may be a result of construction projects, temporary closings, or other conditions. Please refer to the *Note of Unusual Circumstances*.

Listed below are the categories from the *Annual Report* that were used for these statistics. If the category name differs on these statistics from the *Annual Report*, the *Annual Report* name is shown in brackets:

Note of Unusual Circumstances for 2015

All Libraries: As of 2015, NYS Library Division of Library Development (DLD) reclassified databases as Electronic Collections. Electronic Collection transactions are no longer counted as circulation; and as a holding, Electronic Collections are no longer counted as individual titles but as one collection. This mainly affected Freeding, Freegal and Hoopla.

(Armonk) North Castle Public Library: Construction in the children's room closed access to part of the collection for the month of January.

Harrison Public Library: The main library was closed for renovation which was completed in Summer 2015. The main library reopened on 9/12/15. Massive weeding of collection was done.

Hastings-on-Hudson Public Library: Expansion of the Community Room limited the number of programs held.

Irvington Public Library: Massive weeding project was completed.

Lewisboro Library: The library was in a temporary location with a very small collection from January through March 2015 while our building was being renovated; and the temporary location was closed for 2 weeks in March for the move back to the renovated building.

Ossining Public Library: The library's permanent director was terminated and an interim director was appointed while a director search was undertaken by the board of trustees. A permanent director was hired in June 2015 and started in September 2015.

Pound Ridge Library: Statistical information was imperfectly acquired for program attendance. The number of programs counted is accurate, but attendance at programs was taken sporadically. The numbers provided for attendance are based on estimates only.

Purchase Free Library: The library faced an eviction case and was at risk of losing its location.

Somers Library: The library's director retired, and a lengthy search for a new director was undertaken.
