VOLUNTEER POSITIONS

We need **eighty** volunteers to make the day run smoothly! Volunteers are needed for the following roles:

Question Reader: read the questions in each battle round and announce which team is correct based on the answer sheet

Timekeeper: use handheld timers to make sure that teams answer within the time allotted

Scorekeeper: use a flipboard to keep track of the score throughout each match

Room Monitor: count tickets at the classroom door to obey fire code regulations, and maintain a quiet atmosphere during the match

Runner: an active role, delivering the scores from the rooms to the main scorekeeper

Greeter: help check in volunteers and teams at the registration desk

FAQ:

Q: Do I have to stay all day?

A: We will need volunteers between 8:30 am to 2 pm. We'll need at least 40 volunteers who are able to stay the whole time, but if you're willing to volunteer for part of the day, we welcome your help!

Q: How old do you have to be to volunteer?

A: Adults and teens in grades 11 and 12 can volunteer.

Q: Can I volunteer if my child is participating in the BOB competition?

A: Yes, if you are willing to forego watching your child participate with their team. If you volunteer as a greeter, you'd have more flexibility to watch your child in a match.

Q: Why should I volunteer to help at BOB?

A: First of all, it's truly a fun day: high-energy, positive, and memorable! You'll be helping to support an opportunity for young readers to build literacy and teamwork skills. You'll be part of a unique competition experience. And finally, we really cannot do this without you! Volunteers make BOB happen--we need your help!
