Job Posting: Part Time Librarian

The Somers Library, situated in lovely Reis Park in Somers, New York, is looking to hire substitute reference librarians. We are looking for Librarians who are comfortable working at the adult and children's reference desks and interacting with patrons of all ages. Evening and weekend availability is a must. Other skills and talents, such as Spanish speaking and/or experience with programming and tech help would be an added bonus.

Job Description: The part-time Reference Librarian provides general reference and information services, readers' advisory, assists with programs, and performs library advocacy. The Librarian provides assistance to patrons using the library in accessing information, library materials, and technology, as well as performing other job-related duties as assigned.

Qualifications: An ALA accredited Master's degree in Library and Information Studies. Strong interpersonal skills, oral and written communication skills, flexibility, and the ability to handle detail orientated work. Must have commitment to public service and library advocacy. To apply: Please send a resume and cover letter to somersdirector@wlsmail.org
