EXPLANATORY NOTES

WLS Member Library Statistics 2020 are based on the *Annual Reports for Public & Association Libraries - 2020* submitted to New York State. Financial figures on the *Annual Report* are on a cash basis for the operating fund.

Libraries reporting for fiscal years beginning in either June or July are marked with an asterisk (*). All unmarked libraries report on the calendar year.

Westchester averages are determined by dividing the total for that category by the number of libraries (i.e. 38). Total-based averages are determined by dividing the totals themselves. Rankings are based on numbers which have not yet been rounded to 1 or 2 decimal places.

Please note that unusual variations in the statistics may be a result of construction projects, temporary closings, or other conditions—particularly COVID-19 in 2020. Please refer to the *Note of Unusual Circumstances*.

Listed below are the categories from the *Annual Report* that were used for these statistics. If the category name differs on these statistics from the *Annual Report*, the *Annual Report* name is shown in brackets:

Note of Unusual Circumstances for 2020

FOR ALL LIBRARIES: New York State was under a State of Emergency due to the COVID-19 pandemic effective March 7, 2020. Most libraries transitioned to contactless services, and further details can be found on the following pages.

Ardasley Public Library: From March through May of 2020, the Library was closed to the public.

Bedford Hills Library: Closure in March, April, May; contactless pickup only in June and July. Open for visits with limited hours and service by appointment only in August, September, October, November, and December. Video programs were part of our early literacy family programs.

Bedford Free Library: 2020 library operations impacted include hours open, circulation, programming, and public access. The library was closed to the public on March 15 and reopened August 18. Programming was halted for the month of March 2020 but moved to ZOOM in April 2020. Interlibrary loans were halted for 3 months. Beginning August 18, 2020 to the present, the library is open with limited access.

Briarcliff Manor Public Library: Starting early in 2020, the pandemic forced facility closure and remote work started in March 2020. Between March 13 and May 31, 2020, there was no public access. The library provided all services except in-person visits the whole time.

Chappaqua Library: Library building was closed mid-March to June 2020 and was closed to the public/staff for a portion of the reporting period.

Croton Free Library: The library was closed to the public starting in mid-March and only provided curbside pick-up for the remainder of the year. Patrons were allowed back in by appointment in October/November only. Total number of curbside pick-ups: 5,539.

Dobbs Ferry Public Library: Starting March 13, 2020, the library was closed to the public through May 31, 2020.

Eastchester Public Library: The library was closed to the public from March 18 until June 15. During this time, programming and reference services were offered to the public. Curbside pick-up started on June 15 and continued through the end of the year. Browsing by Appointment took place from September through November and was then suspended for the remainder of 2020.

Greenburgh Public Library: The library closed on March 11, 2020, and suspended in-person services until July 2020 and opened doors for public entry on a limited basis in September before closing to in-library traffic in November. Expenditures for physical collection development were suspended in Spring and resumed in late Summer. Closures due to COVID and limited public visits by appointment (Sept. thru Nov.) resulted in fewer public service hours.

Harrison Public Library: The library provided curbside service and "pop-up" libraries. Curbside Pickup Visits: 5,834

Hendrick Hudson Free Library/Montrose: Extended closure, less programming and services, etc.

Irvington Public Library: The library closed to the public at noon on March 14 and did not re-open until after the new fiscal year began. This affected hours open; materials circulation; Internet use (both public computers and wireless connections); reference questions and attendance. It also caused an increase in our purchase of online materials, and no actual books were purchase for the last 2.5 months of the fiscal year.

Katonah Village Library: The library building was physically closed from March 13-June 14, 2020. The library continued to offer telephone reference help and Zoom programming (starting on March 23). Other Circumstances included: contact-free pickup of materials started June 15; the majority of library part-time staff was furloughed on April 15, with only a few returning as of February 2021; library opened for physical browsing

and some (outside) programming on July 13, 2020, but when Covid numbers went up, resorted to contact free pickup and virtual programming again in November 2020.

The library purchased RB Digital Acorn TV and increased its cost-per-circ e-book purchases.

Total number of recordings of program content: video hits (YouTube plus Facebook): 12,521 (Open Mic); Chair Yoga: 20; Children's Programs: 41. The library had a mobile beacon and also loaned Chromebooks to those patrons in need of internet access. Library staff worked with the town of Bedford to provide delivery of books to those who were homebound.

Larchmont Public Library: The library was physically closed to the public from 3/13/2020 through 5/31/2020. During this time, the library continued to answer phones, provide reference service and hold online programs.

Mamaroneck Public Library: The library was closed from March 16 through June 2020 due to COVID.

Mount Kisco Public Library: The library was closed from March 16 through the remainder of the reporting fiscal year, May 31, 2020.

Mount Vernon Public Library: The library experienced an extremely low number in patrons and programs.

North Castle Public Library (Armonk): Library was closed for 3 months from March 15 to June 15. During this time, there were no patrons or staff in the building. There was limited occupancy from June 15 to December 31, 2020.

New Rochelle Public Library: On March 12, 2020, the New Rochelle Public Library & Branch Huguenot Children's library closed for the last 4 months of the fiscal year as well as various intermittent weeks' long closing, with limited staff access and no public access through June 1, 2020. The main library & branch reopened to staff, but not to the public, with limited service until July 6, 2021.

Ossining Public Library: The library's last day allowing public in the building in fiscal year 2019/20 was March 13, 2020 through 5/31/2020. The library was opened for curbside on 6/1/2020 (not reflected in hours). See following notes regarding additional online programs held:

Adult Program Sessions -- **Note:** Also, we provided 7 recorded-only sessions with 977 watches within the first 48 hours.

Young Adult Program Sessions -- **Note:** Also, we offered 13 pre-recorded program sessions with 642 views of our recorded programs within the first 48 hours of posting.

Children's Program Sessions -- **Note:** Also, we offered 30 pre-recorded program sessions with 409 views of the pre-recorded programs within the first 48 hours of posting.

All Other Program Sessions -- **Note:** Also, we offered 22 pre-recorded sessions with 892 views of pre-recorded programs within the first 48 hours of posting.

Field Library/Peekskill: The pandemic forced the library to close March 16, 2020 through July 6, 2020. When the library reopened it was curbside pickup during the months of July, November, and December. We did have inside service during August, September and October.

Town of Pelham Public Library: COVID-19 pandemic--Library was closed during NYS PAUSE beginning in March 2020 and reopened partially after that according to the NYS Reopening tool.

Pound Ridge Library: Due to COVID-19, the library closed for several weeks. Programs were only held virtually from March-December 2020.

Rye Free Reading Room: Library closed March 16-August 2 due to COVID; November 28 to December 8 due to possible COVID exposure; Branch located in Osborn Retirement Home, no access to site due to COVID access restrictions and has not resumed services

Scarsdale Public Library: Two unusual circumstances: 1) the library was in a temporary building while main building was undergoing renovations; and 2) COVID - from March 2020-May 2020 -- closed; we were in temporary building and had limited hours because we shared the building and parking lot with parks and rec which was needed for afterschool sports.

Somers Library: Somers was closed on and off for most of 2020 due to COVID. In February, just before Covid forced the building to close, the hours of operation had been increased. When the building reopened to the public for curbside pickup only, hours of operation were reduced.

Tuckahoe Public Library: Due to COVID 19 library was closed for the public from March 16, 2020- May 31, 2020. Library was closed on March 16, 2020-May 31, 2020 due to Covid 19

Warner Library/Tarrytown: Due to Covid 19 restrictions, Warner Library was closed from March 15 to July 6, 2020. The library reopened on July 7 with the following restrictions (which extended through the calendar year December 31, 2020): Visitors are required to wear mask; patron visit is limited to 30 minutes. Number of visitors will not exceed 20 with 10 upstairs and 10 on the lower level. Library had curbside service April 21 - July 6.

John C. Hart Memorial/Yorktown: Due to COVID-19, the inside of the library was closed to patrons. The closing had a negative impact on both our circulation statistics and our financial budget for the year. Due to COVID-19 the library building was open to the public with very limited hours; and our library modified the hours that we were open to the public and the minimum number of hours was not maintained. Services to the community continued through our porch pickup window service, virtual programs and with online and telephone help.
