EXPLANATORY NOTES

WLS Member Library Statistics 2016 are based on the *Annual Reports for Public & Association Libraries - 2016* submitted to New York State. Financial figures reported on the *Annual Report* are on a cash basis for the operating fund.

Libraries reporting for fiscal years beginning in either June or July are marked with an asterisk (*). All unmarked libraries report on the calendar year.

Westchester averages are determined by dividing the total for that category by the number of libraries (i.e. 38). Total-based averages are determined by dividing the totals themselves. Rankings are based on numbers which have not yet been rounded to 1 or 2 decimal places.

Please note that unusual variations in the statistics may be a result of construction projects, temporary closings, or other conditions. Please refer to the *Note of Unusual Circumstances*.

Listed below are the categories from the *Annual Report* that were used for these statistics. If the category name differs on these statistics from the *Annual Report*, the *Annual Report* name is shown in brackets:

Note of Unusual Circumstances for 2016

All Libraries: For 2016, NYS Library Division of Library Development (DLD) only counted circulation for certain types of electronic materials that have a limited period of use and also counted these materials as individual titles. Other Electronic Collection usage without a circulation period is considered as Successful Retrieval of Electronic Information, which is now reported separately, and they are still counted as one Electronic Collection. This mainly affected Freading and Hoopla e-book services.

Armonk-North Castle Public Library: The library requested to be listed under North Castle instead of as Armonk.

Bedford Hills Public Library: Major weeding of the adult collection.

Briarcliff Manor Public Library: Construction of Village Community Center necessitated moving library materials so that they were not as accessible as usual. Extensive weeding initiated due to space limitations.

Dobbs Ferry Public Library: Major weeding project; removed 6,700 items from collection to make room for newer materials.

Eastchester Public Library: Library renovations included the installation of a new roof and the installation of new carpeting disrupting services for approximately four weeks. Library was open much of the time but sections of the collection were unavailable.

Harrison Public Library: The West Harrison Branch was closed from August 15 to December 11 for renovations.

Hastings-on-Hudson Public Library: A new library director was appointed 1/2016. The Children's Librarian position was vacant for 6 months of the calendar year.

Irvington Public Library: On September 22-23, 2015, part of the library was flooded when the apartments above had a blocked sewage pipe; 235 books were damaged and unusable.

Ossining Public Library: The Adult Services Department undertook a large weeding project of the Adult Non-Fiction collection.

The Field Library (Peekskill): During the end of 2016, a massive weeding of the children's collection was completed. Items that had not circulated for 7 or more years were deleted.

Pound Ridge Library: Dr. Maurice Freedman resigned on 10/1/16. Marilyn Tinter was terminated effective 9/27/16. As of 10/1/16, the director's position has been vacant.

White Plains Public Library: The collection was weeded in anticipation of upcoming renovations.
