TABLE OF CONTENTS

EXPLANATORY NOTES

WLS Member Library Statistics 2018 are based on the *Annual Reports for Public & Association Libraries - 2018* submitted to New York State. Financial figures on the *Annual Report* are on a cash basis for the operating fund.

Libraries reporting for fiscal years beginning in either June or July are marked with an asterisk (*). All unmarked libraries report on the calendar year.

Westchester averages are determined by dividing the total for that category by the number of libraries (i.e. 38). Total-based averages are determined by dividing the totals themselves. Rankings are based on numbers which have not yet been rounded to 1 or 2 decimal places.

Please note that unusual variations in the statistics may be a result of construction projects, temporary closings, or other conditions. Please refer to the *Note of Unusual Circumstances*.

Listed below are the categories from the *Annual Report* that were used for these statistics. If the category name differs on these statistics from the *Annual Report*, the *Annual Report* name is shown in brackets:

Note of Unusual Circumstances for 2018

Briarcliff Manor Public Library: From December 2017 to March 2018, the children's and teen areas were closed due to a flood. Services were provided in a temporary upstairs space. A new director was hired and staff openings were filled between May and July 2018. A major weeding for the adult collection took place between May and December 2018. A new ebook platform began in May 2018.

Eastchester Public Library: The Eastchester Public Library has been impacted by the renovation of the neighboring Scarsdale Public Library which began in May of 2018. Although the Scarsdale Public Library has opened in a smaller, temporary location, their hours have been reduced. As a result, the Eastchester Public Library has become home to many Scarsdale residents, a factor in the increase in circulation we are experiencing.

Greenburgh Public Library: The library continues to weed collection significantly in order to provide more study tables and collaborative work areas for patrons.

Harrison Public Library: Closed for roof repair at the main branch for 11 days in December 2018.

Hendrick Hudson Free Library (Montrose): Construction caused unscheduled closures.

Mount Vernon Public Library: Massive weeding project.

New Rochelle Public Library: Massive weeding of collection as well as a retirement of Head of Children's Services after 40 years.

North Castle Public Library (Armonk): Renovations to three active areas: Youth Services, Young Adult and Adult Programming room curtailed programming activity, so attendance numbers were down from previous year.

Ossining Public Library: Massive weeding of collection resulted in lower count than last year.

Scarsdale Public Library: Massive weeding took place before we moved out of the main building for renovation at the end of FY2018. Programs were ceased in January 2018 because the programming space was used to store boxes in preparation for our move into our temporary location. There is no space for programs in the temporary quarters. The anticipated date for moving back into our renovated building is sometime in mid-2020.

Tuckahoe Public Library: The Library was closed 4 days in December 2018 for replacement of windows.

White Plains Public Library: The Library had renovations lasting 9 months during the reporting year. We remained open but part of our collection was unavailable during that time.
