CELEBRATING WESTCHESTER LIBRARIES BREAKFAST IS SPONSORED BY:

Guest Speaker Regina Calcaterra

Regina Calcaterra is an author, child advocate, lawyer, and a champion for libraries. For the past twenty-eight years Regina has spent her policy, managerial and legal career in both the private and public sector. She is now practicing law as a partner in the New York office of Wolf, Haldenstein, Adler, Freeman & Herz.

Photo credit: SUNY New Paltz

By relating her own childhood experiences and those of her siblings, Regina powerfully provides audiences with insight into how simple acts of encouragement and kindness can forever impact the life of a child in need. Libraries and librarians were significant positive role models for her and her siblings. She compassionately reinforces that no child is a lost cause, and that the power of resilience and optimism can pull anyone through the toughest of times. By emphasizing the importance of education and self-confidence, she reminds us that, regardless of social status, there are enough resources available to rise above one's circumstances.

Honoree

Rob Kissner

President, Founder and CEO of The Digital Arts Experience, Rob has been involved in digital arts for the past 15 years. Graduating from Emerson College in Media Production, Rob Managed a historic recording studio and worked with such artists as Katt Williams, The Jonas Brothers and Duran Duran. Previously working for Apple, Rob has experience teaching everything from computer basics to professional media production software. Opened in 2012, The Digital Arts Experience is focused on providing kids of all ages with exciting, hands-on program in creative technology. From designing video games to creating 3D animations, The DAE has programs for all ages, all interests, and all skill levels.
