*75 % Funding Requested

The recommended award amounts were approved as submitted on a motion made by Mr. Cartolano and seconded by Mr. Iwanski. The motion passed unanimously. Ms. Hysell was thanked for her efforts with the Construction Aid application process.

**Extend for One Year Current Borrowing Facility:** Mr. Caluori explained that WLS has an existing Line of Credit with TD (Toronto Dominion) Bank. The facility allows WLS to borrow up to $500,000 unsecured for a period of one year. There are neither facility fees nor covenants for this loan agreement. If borrowed against, the interest rate would be based on WSJ (Wall Street Journal) Prime + 50 bps (base percentage points), with a Floor of 3.75%. The only restriction consists of the submission of audited financial statements on the part of WLS.

During the prior year, there were no borrowings under the facility. **Currently, we do not foresee any need to borrow under this facility for the coming year.** Given there are no encumbrances, covenants, or facility fees, we recommend extending the borrowing agreement for one year to allow for financial flexibility. A recommendation was made by Ms. Tabakman to amend the action to include that use of the line of credit would require Board approval. The approval of the extension of the borrowing facility with TD Bank for an additional year and recommended conditional use was approved on a motion by Mr. Amiano and seconded by Ms. Murdoch. The motion passed unanimously.

**PRESIDENT’S REPORT**

Ms. Zevin thanked everyone for their donation on behalf of her daughter. She thanked Ms. Scherer for her ten years serving on the Board and noted she has been an incredible asset. She also thanked Mr. Okelo for his time on the Board and wished them both the best of luck in the future.

**COMMITTEE REPORTS**

**Budget Committee:** Ms. Scherer reported that the Budget Committee met on September 21, 2023, to go over the first portion of the budget. They will be meeting again on October 3rd and October 19th. She encouraged all to attend.

**Nominating & Board Education:** Ms. Kelley, Chair, introduced Barbara Tepper, a potential candidate to fill the District IV: Lewisboro (South Salem), North Salem, Somers, to replace Ms. Scherer. Ms. Tepper has experience as a Board trustee at Somers Library.

**EXECUTIVE DIRECTOR’S REPORT**

A copy of the Executive Director’s Report was mailed in advance of the meeting.

Dr. Kirchner made the Board aware of some staff updates. Elena Falcone has retired as Director of Public Innovation and Engagement. Krishna Brodigan is the new Director of Outreach, and Linda Smith is Assistant Director. This transition will allow WLS to build more stability and relationships
with the member libraries and the public. Dr. Kirchner also commended Mr. Arana for all his hard work preparing the service level agreements (SLAs) for IT services, and for how he manages his staff.

Battle of the Books is October 21, 2023, at Ossining High School, and volunteers are needed. It is a fun time and represents many of the libraries.

PUBLIC LIBRARY DIRECTORS’ ASSOCIATION (PLDA) LIASON REPORT

Ms. Cech reported on the September PLDA meeting where the following was discussed:

- PLDA had its September meeting at the Greenburgh Public Library, and it was a hybrid meeting. They will be doing more hybrid meetings in the months to come.

- The e-content committee reported a glitch with Overdrive statistics. Allison Midgley, Senior Technology Training Coordinator, is working on resolving it.

- Even though the New York Library Association (NYLA) recently formed a similar committee, PLDA has decided to retain the Municipal Library Roundtable Committee. The NYLA committee will focus on broader, statewide issues, while the PLDA committee will focus more on local issues and strategies.

ADJOURNMENT

Having completed its agenda, the Board adjourned its meeting at 7:22 p.m. on a motion by Mr. Iwanski and seconded by Ms. Morduch that passed unanimously.

Respectively submitted,
